

FANCA is an international sports board called FANCA, which is a conglomeration of five nations, **Fiji, Australia, New Zealand, Canada and America.**

On a biennial basis, each of the nation hosts a grand sports event, lightly regarded as a Muslim Mini World Cup. Year 2022 marks 25 years of the FANCA's existence and to celebrate its silver jubilee, our affiliate Fiji will be proudly hosting this colossal event in 2022 during the Fiji Independence day holidays in a five-day event format.

This event is already creating enormous excitement and thrill within the Muslim sports community in Fiji and the overseas affiliated nations. Preparations of grand magnitude has begun and expectations have risen many folds as seen un parallel to any FANCA event.

Apart from involved and sports connected people, this event also has support from the political and commercial segment of the community. We have produced a promotional video on our website for the FANCA silver jubilee celebration in which the **local government ministers and some very influential people in the community** have featured to show their support and pledged to attend the event as Chief Guests.

This event is proposed to be held at Prince Charles park, Nadi, Fiji which is undergoing major upgrade of an international standard field with new floodlights and stadium.

FANCA is a non-profit sports and community based organisation established in 1997.

#### **Main Objectives**

- To preserve and promote the religious, social and educational interests of Muslim youths.
- To organise Sports, Youth Camps and other curricular activities – male/female
- To promote the welfare of religious and charitable poor and needy
- To provide training and leadership of youths to make them a responsible citizen.

**To mark this silver jubilee celebration FANCA is looking for proud sponsors for this event. Please contact your friendly FANCA BOG member in your nation for further information or you can chat with us directly via our website.**
